

Landscape Partnerships

Pre-application enquiry form

Please use this short form to ask for advice from us before you fill in an application form. We have designed it to help us to tell you quickly whether we could consider funding your scheme and to offer you guidance at an early stage when developing your scheme. You may find it helpful to refer to the Landscape Partnerships programme flyer and the Landscape Partnerships Guidance Notes to give you some idea of the special

requirements of this grant programme. These are both available on our website www.hlf.org.uk.

Fill in the form as fully as you can but do not worry if you do not have enough information at this stage to answer all the questions.

Landscape Partnerships (LP) priorities

We expect schemes to be focussed in an area of distinctive landscape character and to meet the following LP outcomes by:

- conserving or restoring the built and natural features that create the historic landscape character
- increasing community participation in local heritage
- increasing access to and learning about the landscape and its heritage
- increasing training opportunities in local heritage skills

Each scheme must be informed by the outcomes of a landscape character assessment (which maybe eligible for HLF funding) and be guided by the needs and condition of that landscape as well as that of the people who live, work and spend time in the area.

Section two The Landscape

Where is the area that you are thinking of focussing your LP scheme? Describe its special character and tell us why you think it is important for us to consider funding this area.

What is the size of proposed LP Area? Tell us how big your proposed scheme area is likely to be in square kilometres (km²). We would normally expect this to be larger than 20km² and no more than 200 km². It is helpful if you attach a map of the area to this pre-application form.
